TO WHOM IT MAY CONCERN

This serves to confirm that **Ms Thatayamodimo Ntema (ID: 046024718)** was awarded with a BSc (Hons) Financial Management Degree. She completed her studies successfully with a Second Class Upper Division (2.1) and GPA of 3.0.

This is an internationally recognised four year degree qualification, Accredited on the International NQF Standard, and it is a 100 percent English conducted and assessed programme, ending with submission of an undergraduate major research project report, that covered an industry related topic of her choice.

During her tenure as a student **Thatayamodimo** was pleasant and consistently hard working, with a positive demeanor and commitment for high performance. She is a good team player, very assertive, seemingly quite, but well grounded in both qualitative and quantitative competencies.

She is highly recommended for any position of responsibility, in any work environment, or for enrollment in any institution for further studies.

Thank you.

Yours Faithfully
